CARE › COMPASSION › COMMUNITY

All these and a life of luxury within reach await you at Abbe Care Homes senior living!

**We pledge our Commitment to Smart Technology:**

**Abbe Care Homes is becoming more reliant on integrated, data-driven solutions to help us better serve senior living residents and their loved ones. While these solutions are very sophisticated and highly technical, they are delivered in a personalized manner. The result is higher engagement, improved resident care, and better outcomes.**

## DID YOU KNOW?

Seniors who've moved into assisted living overwhelmingly report their overall quality of life improved dramatically since making the transition? It's true!

At Abbe Care Homes, we're not just located in this community—we're part of it. Our roots here run deep, and fuel our commitment to serving the needs of our vibrant senior population.

**Abbe Care Home - Diamond Lake is located in a residential neighborhood in the village of Mundelein, nestled in Northern suburb of Chicago along Diamond Lake. We are situated in Lake County, Illinois, in a green quiet lake area, allowing our robust community to be both secluded and lively. We are also conveniently accessible to major roadways and thoroughfares and only an hour away from Chicago.**

# MEMORY CARE

## PERSONALIZED CARE

*Our care program is built around the most important thing - you.*

Designed especially for individuals with changing cognitive abilities, our memory care community offers our valued residents and their loved ones much more than just a safe environment and top quality care. We support and assist our memory care community members in a way that makes them feel encouraged and loved – all while ensuring they can enjoy the quality of life they deserve.

Our team members are highly skilled in aiding and attending to our residents in a warm, patient manner. In our tight-knit community, we focus on building real relationships and trust with residents and their caregivers. We treat our residents with the same kindness and compassion we'd offer members of our own families.

## RESIDENT SATISFACTION: PEACE OF MIND

Residents' families are given the gift of peace of mind, knowing their loved one is part of a caring, supportive community. We value involving all of our residents' family members and friends in their daily lives. We understand the importance of staying connected. Our dedicated staff strives to include families in caregiving for their loved ones with our special features like family visit rooms and private dining options.

Residents of our premier memory care community can expect all the comforts of home with the luxury of individualized service, including:

# ASSISTED LIVING

*Assisted living is an ideal senior living option for a variety of people, with a wide range of requirements. Our assisted living community was created to cater to our residents' daily needs, while also promoting their independence and contentment—with many exciting and engaging events and activities to enjoy.*

## **HASSLE-FREE PRIVACY AND COMFORT**

Our spacious and luxurious rooms are designed to accommodate residents' personal furniture and decor, while still allowing ample space to navigate safely. We offer our community members all the comforts of home, without any of the hassles that come with home maintenance. No more burdensome chores, we will take of everything!

Assistance and support are always available when needed, but we also foster and encourage our residents' independence and quality of life. At Abbe Care Homes we believe in person-centered care that promotes every resident's abilities and priorities. That means our team will work with you to determine when to step in and when to let you lead the way. Whether that means assistance getting around, the occasional helping hand with getting dressed in the morning, or medication management, we are here to attend to your unique needs and desires. Our valued assisted living community members enjoy outstanding services and amenities, including:

- Customized and flexible daily care
- Medication management assistance and support
- Personalized assistance with daily tasks as needed
- Therapy services available as needed
- Laundry and housekeeping services
- An array of community spaces with daily social opportunities, activities and entertainment
- Transportation services to shopping, events and outings
